Report of Soft Skills

No	Soft Skill	Category	Score	Description
1	Communication	Self-representation through Communication	4	Communication reflects genuine values and demonstrates strong self-awareness of communication skills for improvement
2		Understanding Communication Issues and Strategy Application	3	Shows a good understanding of impact in general and applies suitable strategies with some effectiveness
3		Verbal Communication	3	Effective. Capable of expressing ideas clearly and easily understood by the audience. Able to communicate well in various situations.
4		Written Communication	3	Effective. Capable of composing text clearly and well-structured. Content is easily understood by readers.
5		Active Listening	3	Active. Able to listen with focus and show interest in the conversation. Asks relevant questions and provides feedback.
6		Presentation Skills	3	Effective. Presentation is well-structured, clear, and able to maintain the audience's attention throughout.
7	Adaptability	Growth Mindset	4	Fully understands that success and abilities can develop through effort and perseverance
8		Coping Strategies/Stress Management	4	Knows how to manage stress and maintain work-life balance
9	Critical Thinking	Analytical Skills	3	Making decisions based on sufficient data, using fairly relevant and valid information, and having an adequate number of references
10		Strategic Thinking	4	Able to think strategically (in an organized way) when making plans to achieve goals
11		Proactive Learning	4	Actively learning and practicing to improve understanding
